

Part #: GI-3T8F-D30-ULDW3

Model#: GI-3T8F-D30-ULDW3

15W 3ft LED T8 Multifunctional Tube

Specifications

- Wattage: 15W
- Voltage: 100-277V AC with double end power supply / ballast compatible
- Color Temperature: 4,000K
- Beam angle: 120°
- Flux: 1,800lm
- CRI: 80+
- Base: G13 (bi-pin)
- Power Factor: 0.9
- Frosted cover
- Dimensions: 1.02"(D) x 3.00'(L)
- Dimmable: no

Features

- 50% reduction in electricity consumption when replacing fluorescent lighting
- Non-dimmable
- Compatible with approved electronic instant-start ballasts
- No hazardous materials
- No UV or IR radiation
- Up to 25 years or 50,000 hours life span
- Replaces 30W T8 fluorescent lamp
- 6-year warranty
